Yes, Colin, I have the support from Rick Solana, my boss. I am happy to contribute.
Until soon,
Roger

My apologies if you have responded and I have mislaid your reply during my six-week overseas trip, but I would like to know if you have agreed to join us as a member of the Environmental Management Council (see my letter of July 2).

I am planning to send out some details of our San Antonio meeting in the next few days and would like to add your name to the list.

Once again, if you've given me your answer already and I've missed it, I apologise.

Thanks....Colin
